### Uninstalling Apps

In parent mode, touch and hold an app in the app menu and drag to the trashcan Uninstall icon. You can also uninstall by tapping Apps in the settings app.

## Adding Safe Sites

The Kid-Safe Browser by Maxthon lets your child safely browse the internet by only giving them access to sites you approve.

Tap the + icon.

The first time you add a site you will be prompted to solve a math problem and create a password.

You can choose from recommended sites or enter your own URL.

## Deleting Sites

Touch and hold an icon.

Tap the pop-up Delete button.

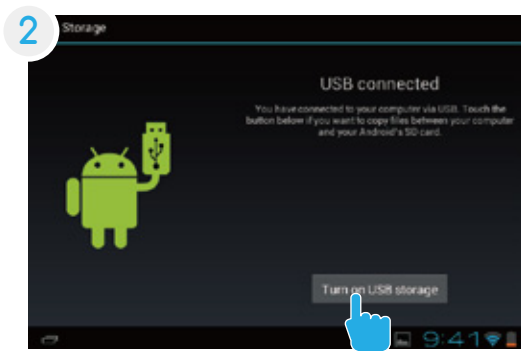

Enter your password.

## Connecting to a Computer

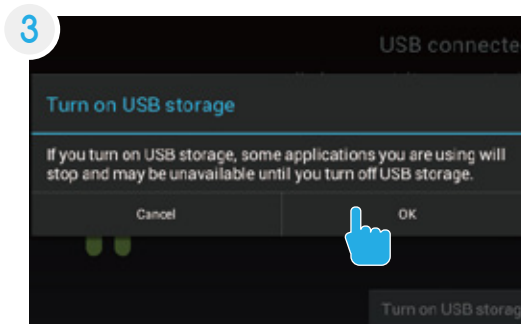

You must be in parent mode to connect to a computer.

Connect to your computer by USB.

Turn on USB Storage.

Tap OK to allow USB Storage.

## PC

Choose open folder to view files or select the removable disk.

You will now be able to drag and drop files from your computer to your tablet just as you would with a USB flash drive.

Right click on the file to compress, copy, move to trash or get info.

## Mac®

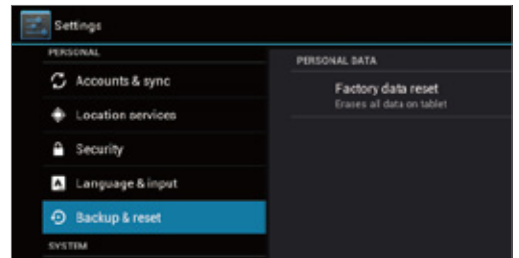

4 Use *Finder*® to go to *Devices* and choose FunTab Pro.

5 You will now be able to drag and drop files from your computer on to your tablet just as you would with a USB flash drive.

6 Control click on the file to compress, copy, move to trash or get info.

7 Control click on the device to eject.

## Factory Restore

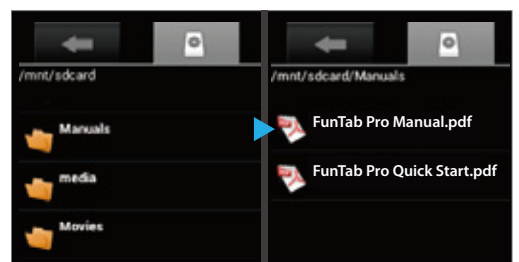

Select Backup & reset in the settings app to restore factory settings. This will erase all data on the tablet.

## Reset Device

The reset button is located on the top of the unit. Reset the device by pressing the button with a small object such as a paper clip.

## User Manual

Use the File Manager app to locate the Manuals folder.

## Parent Dashboard

For more options exit Kid Mode and choose the Parent Dashboard app.

**Family:** Add additional children.

**Storybooks:** Record yourself reading a story, or buy more books.

**Apps:** Select the Android Apps available to play from inside Kid Mode.

**Child Lock:** Turn Child Lock on/off or choose which action is required to exit Kid Mode.

**Video Mail:** Turn Video Mail on/off. Go to [www.zoodles.com/parent](http://www.zoodles.com/parent) to send your child a video message, add family members to your account, and review all the message your child has sent and received.
