

JFC2087HRP - Jenn-Air® 20 cu. ft. Bottom Mount Refrigerator - Stainless Steel w/Black

Product Features

[Print](#)

Exterior

- γ French door style provides an elegant, yet functional style alternative for food storage.

Performance

- γ Twin Fresh™ Electronic Climate Control has individual sensor to maintain consistent temperatures in both food compartments.

Freezer

- γ Glide out bottom freezer drawer keeps frozen food impeccably organized and easily accessible.

Performance

- γ Internal water dispenser provides filtered water from the inside so the exterior stays sleek and beautiful.

Exterior

- γ Dual doors require minimum space to open fully, ideal for kitchens with center islands or galley designs.
- γ Cabinet depth design aligns with cabinets smoothly for a customized, built-in look.
- γ Available in stainless steel front with black cabinet and Pro-Style® handles for commercial look.

Freezer

- γ Two-tiered storage in freezer drawer provides easy access to all items.
- γ SmoothClose™ Drawer Track System on freezer drawer ensures it rolls open and closes smoothly.
- γ SmoothClose™ system also includes an automatic latch that helps pull the drawer closed.
- γ Automatic ice maker provides a steady supply of fresh, clear ice for your convenience.
- γ Full-width wire freezer baskets accommodate up to 120 pounds of food.
- γ Lower basket divider is fully and easily adjusted to keep food organized.
- γ Clear spill-guard tray in lower freezer basket keeps spills contained for easy clean-up.

Performance

- γ Sleek, electronic upfront touch pads make it easy to adjust and view temperature settings.
- γ PuriClean® II retractable water filter is our highest performing, longest lasting water filter ever.
- γ PuriClean® II retractable water filter ensures fresh, clean filtered ice and water.
- γ Adaptive defrost feature helps protect food, and saves energy by defrosting on when needed.
- γ Ultimate Bright Series lighting package lets you find that tiny jar of capers at-a-glance.
- γ Two refrigerator lights and two freezer lights enable you to clearly see everything inside.
- γ Ultimate Quiet Series sound package provides exceptionally quiet performance

Refrigerator

- γ Roll out shelves make it easy to reach the smallest item, even if it's stored in the back.
- γ Spill-proof shelves have sealed edges to keep spills contained for easy clean-up.
- γ Temperature controlled Gourmet Bay™ drawer is perfect for keeping gourmet foods fresh.
- γ Gourmet Bay™ drawer provides flexibility with handy divider, storage tray and Wine Hold bin.
- γ Humidity controlled crisper drawers keep fruits and produce fresh and crisp.
- γ Backguards on roll out shelves keep items in back secure when shelf is pulled out.

- γ Storage rack hangs from any shelf for handy convenient storage of wine, water and soda bottles.
- γ Adjustable door buckets offer convenient storage and make it easy to customize storage space.
- γ Gallon door storage bucket creates ample room for milk and other large containers.
- γ Covered dairy compartment provides convenient, accessible storage for dairy products.

Available

- γ Also available in Canada.
