

Power2Go DC-to-AC Inverter

*Take Your Portable Power Source Wherever You Go-
Ideal for Notebook PCs and Other Electrical Equipment in
RVs, Boats, and Other Vehicles*

AC Power on the Go!

Power2Go DC-to-AC Inverter
(LO3040)

Benefits

- Ideal for Traveling with Notebook PCs, Portable TVs, and Other Electrical Devices
- Provides an Emergency Power Source on Vacations and Business Trips
- Use in Any Vehicle with a Cigarette Lighter
- Perfect Power Source for Portable Devices Such as TVs, Stereos, Fans, Kitchen Appliances, Battery Chargers, Lighting and More
- Automatic Shutdown Prevents Battery Drains
- 1-Year Limited Warranty

The Power2Go gives you a portable power source that lets you operate your electrical equipment in RVs, boats, and other vehicles.

Power2Go provides 140 watts of continuous electricity from any vehicle's cigarette lighter, and can surge up to 400 watts to power notebook PCs, portable TVs, and countless other electronic devices. Your Power2Go alerts you with an audio alarm when the vehicle's battery voltage drops to 10.5 volts, while the automatic shutdown feature detects low battery-voltage and automatically cuts off the power source if your voltage drops below 10 volts. Its air cooling convection prevents overheating, and a compact design lets you give you peace of mind as an emergency power source.

The Power2Go portable power source is your ideal traveling companion, giving you a convenient, compact solution to enjoying your electronic appliances wherever you go.

Features

- On/Off Switch Lets You Control Your Power Source
- Automatic Shutdown at 10V Prevents Battery Drain
- Works with Any Device Requiring an AC Power Outlet
- Audio Alarm Detects and Notifies You of Low Voltage
- Power Surge Protection Protects Against Burn-Out
- Sleek, Compact Design for Easy Portability
- 1-Year Limited Warranty

Specifications

Model Number	L03040
Power	200 watts for 2 minutes 140 watts continuous 400 watts maximum
Voltage	Input: 12 to 15 Volts Output: 114 Volts AC, +/- 5%
Idle Current	Less than 0.2 Amps
Frequency	60Hz, +/- 2%
Cable Length	30"
Cooling	Air convection
Power Protection	Short-circuit, Over Power, Low Voltage Automatic Shutdown

Environmental

Dimensions	5.3" x 2.6" x 1.6"
Unit Weight	16 oz.

Package Contents

- Power2Go
DC-to-AC Power Inverter

(Model Number: L03040)

Applications

- Notebook PCs
- Stereos, CD players, and amplifiers
- Portable TVs and VCRs
- Camping equipment
- Portable phone and fax machines
- Battery rechargers
- Power tools and pumps
- Medical equipment
- Small kitchen appliances
- Lamps and lights
- Fans
- Electrical blankets and heating pads
- Curling irons
- Musical instruments
- Coolers
- Hand vacuums
- Emergency power source
- And more!
