

QuickCam® Express

The simple way to get closer!

- Meet face-to-face online
- Capture stills and videos
- E-mail photos and video quickly
- Add LIVE images to your instant messages!
- Set up a Web cam, create a Web album
- Broadcast live video over the Web
- Play cool Camera Games!

Step 1: Plug-in

Just plug it in and install the software in minutes. Now you're ready to see and be seen on the Internet.

Step 2: Click

Capture stills and video with one click. Snap family photos. Shoot video greetings. Easy-to-use software lets you store, print, or send your images off to friends, relatives, whoever.

Step 3: Share

E-mail photos and videos quickly. One click lets you send video e-mail and photos as easily as you send text — even with AOL®. No camera is required at the other end. Viewing is also a click away — whether it's a Mac or PC.

Meet Face-To-Face Online

Includes Microsoft® NetMeeting® to video-chat with friends and family over the Internet.

Make Your Instant Messages Come Alive!

Now you can add live images to Yahoo! Messenger. Show friends and family your smile while instant messaging. It's so easy we've even included Yahoo! Messenger with your QuickCam® software. English only.

Share Special Occasions LIVE!

Share hobbies, birthdays, or baby's first steps with family, friends, or even the world. It's easy with your QuickCam® and SpotLife™, the Web site that lets anyone stream live video over the Web. Get your personal SpotLife™ trial membership (password optional) for live broadcasts, Web cams, and Web albums. Terms subject to change.

Play Cool Camera Games!

Your body's the joystick in the newest collection of games from Reality Fusion®, GameCam SE™.
