

OSPREY ADDONSTM

Customize and protect your pack with Osprey’s full line of AddOns.™ For the full lineup, please visit your local Osprey retailer or visit our web site [www.ospreypacks.com](http://www.ospreypacks.com).

PACK CARE

Osprey recommends Nikwax® products for pack care. For complete instructions on cleaning your pack, visit: [www.ospreypacks.com/PackTech/PackCare](http://www.ospreypacks.com/PackTech/PackCare)

Your pack is an extremely durable product built for years of use and abuse. However, some basic procedures will ensure that your pack holds up optimally.

- After each trip be sure to clean out your pack thoroughly.
- If it’s wet, hang it to dry.
- Loosen all the straps.
- Wash your pack every now and then. [Do not immerse travel packs with our High Road™ Wheeled Chassis.]

PACK YOUR PACK

Loading your pack correctly optimizes comfort while you are carrying it. For complete information visit: [www.ospreypacks.com/PackTech/HowToPackYourPack](http://www.ospreypacks.com/PackTech/HowToPackYourPack)

Heavy ————— Light

GUARANTEE

At Osprey, sustainability is designed into our packs, which are built to last a lifetime and backed by a superb guarantee, no matter how hard you are on your gear. Visit [www.ospreypacks.com](http://www.ospreypacks.com) for details.

SHARED FEATURES

KEY FABRICS

- + 70D x 100D mini shadow nylon
- + 210D dobby nylon

AIRSCAPE™ BACKPANEL

Every Talon/Tempest Series pack features the AirScape™ backpanel, a mesh covered, ridge molded foam backpanel that is lightweight and supportive with integrated channels and central air chimney for ventilation.

BIOSTRETCH™ HARNESS

The Talon/Tempest BioStretch™ gender specific harness consists of mesh covered, die cut foam with sewn in spacer mesh, a stretch woven harness pocket and an adjustable sternum strap with rescue whistle buckle to provide the utmost in comfortable and stable carry.

BIOSTRETCH™ HIPBELT

The Talon/Tempest BioStretch™ gender specific built-in hipbelt is a mesh covered, die cut slotted foam hipbelt featuring zippered stretch mesh pockets and a modified straight ErgoPull™ closure system providing comfortable, stable load transfer and carry.

STRETCH WOVEN SIDE POCKETS

[Excludes Talon/Tempest 6]

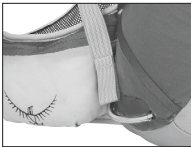

Each Talon/Tempest Series Pack features dual side stretch woven side pockets providing accessible external storage options. The side pockets on the four largest Talon models[44, 33, 22, 18]and the four largest Tempest models[40, 30, 20, 16] feature InsideOut™ compression allowing you to tension and secure loads easily even when the side pockets are in use. To route the InsideOut™ compression strap, **A)** locate the slider buckle to the top and side of the stretch woven side pocket and unthread the webbing through this buckle. **B)** Now route the webbing by positioning the slider buckle inside or outside of the side pocket and reversing the process above.

STOW-ON-THE-GO™ TREKKING POLE ATTACHMENT

[Excludes Talon/Tempest 11, 9, 6]

The Stow-on-the-Go™ trekking pole attachment is designed to conveniently stow your poles when not in use. To operate: shorten trekking poles to a safe, manageable size, **A)** locate the elasticized loop below the side pocket on the left side of pack then pull loop away from the side pocket and insert the basket end of your poles. **B)** On the left harness strap locate the trekking pole icon, **C)** engage the cord lock beneath the fabric patch with your thumb and forefinger and pull up on the cord to open, place pole handles in the loop and tighten with the cord lock to secure. Reverse to remove.

TOOL ATTACHMENT

[Excludes Talon/Tempest 6]

Lower tool loops work in conjunction with fixed bungee tool tie-offs to provide stable, secure ice tool carry. To utilize this feature, slide the tool shaft through the loop and flip the shaft up towards the top of the pack using the bungee tool tie-off to secure. Reverse this process to remove.

EXTERNAL HYDRATION

Located between the Talon/Tempest backpanel and main pack body is an exterior hydration compartment. [Talon/Tempest 6 have bottle sleeves.] **A)** Locate the H2O icon and loosen load lifter straps at the top of the pack. **B)** Place the reservoir in the compartment using the sewn-in hanger to hold it upright. **C)** Route the hose left/right through elastic routers on the harness as preferred, close compartment and re-tension load lifter straps.

HYDRAULICS RESERVOIR

Add an Osprey Hydraulics™ 2 or 3 liter hydration reservoir or a Hydraulics™ LT 1.5 or 2.5 liter hydration reservoir to your pack for stable, efficient, on-the-go water management. For more information, please visit your local Osprey retailer or visit [www.ospreypacks.com](http://www.ospreypacks.com).

HARNESS ADJUSTMENT

[Talon 44/33/22,Tempest 40/30/20]

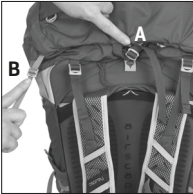

To adjust the Talon/Tempest harnesses, **A)** loosen load lifter straps at top of harness and slide a hand between the backpanel and harness to release hook and loop closure. **B)** Slide harness into position using arrows to guide and press firmly on backpanel to reengage hook and loop closure

TOP POCKET REMOVAL

[Talon 44/33, Tempest 40/30]

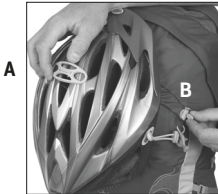

To remove the top pocket, release the top pocket retention straps on each side of the pack to flip back the top pocket. **A)** Locate the slider buckle by the grab handle near the top of the backpanel and thread the webbing through the buckle. **B)** On each corner of the top pocket find the connecting webbing threaded through a slider buckle. Unthread this webbing on both sides and the top pocket is now removed. Reverse to re-attach.

LIDLOCK™ HELMET ATTACHMENT

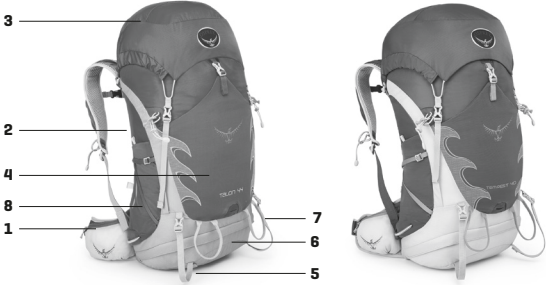

[Talon 22/11, Tempest 20/9]

To use the LidLock™ helmet attachment system, **A)** Locate LidLock™ clip near the top of the pack's front panel and pull away from the pack. **B)** In the vertical position, pass LidLock™ through helmet vent from the bottom and engage in horizontal position. On the right outside panel of the pack find a cord loop to increase or decrease tension. Reverse to remove helmet.

GENDER SPECIFIC FIT

The Tempest 40, 30, 20, 16, 9 and 6 are the women's specific counterparts to the Talon Series. The Tempest's harness, hipbelt and two available torso sizes are all designed to fit a woman's body, providing the same level of performance for women that we've established in our Talon pack for men.
