2005. 4

Hassel-free desktop printing with high-quality, professional output at an economical cost.
Samsung Laser Printer ML-2010.

The new Samsung ML-2010 monochrome laser printer packs professional quality printing into a stylish compact printer. Suitable for any small office or corporate setting; it gives you top-rated performance, easy-to-use features and Samsung's stunning signature design.

358mm (14.1")

217mm (8.5")

299mm (11.8")

Small :
Compact size fits any desktop

Compact Design

Samsung ML-2010 is ergonomically designed to complement any modern business or home office with its compact size and attractive, modern style.

- Compact and stylish : Designed with a small footprint, the Samsung ML-2010 fits neatly on any desk or shelf, freeing up valuable work space.

- Simple to use : Toner and paper replacement couldn't be simpler with easy front access panels.

Outstanding Performance

Inside its optimal compact case, Samsung ML-2010 has everything it needs to produce superb printing at an efficient speed.

- Fast Speed : Fast printing of up to 20 pages per minute (A4) with a 150 MHz processor for immediate first page out.

- High-quality Output : Sharp text & crisp graphics at 1,200 x 600 dpi resolution for professional documents.

- Versatile Paper Handling : 150-sheet input tray with convenient cover keeps paper neat and your desk attractive. Print transparencies, labels, cardstock and envelopes with the same versatile tray.

Advanced Productivity

You can take full advantage of Samsung's unique features to save time and increase productivity.

- Complete Compatibility : Supports a wide range of operating systems, including Windows, various Linux OS and Mac OS 10.3.

- Instant Installation : Requires only 4 clicks to install, and there is no need to re-start your PC once installed.

- Easy Job Control : One-button print job cancellation & re-printing helps you correct even volume printing with ease.

- USB Interface : Connects via fast USB 1.1 (compatible with USB 2.0) interface to prevent bottlenecks between your PC and printer.

Economical Solutions

Samsung ML-2010 is competitively priced, but also includes built-in features designed to save you money.

- Toner-save button : One-touch configuration allows you to save up to 40% of toner, while still producing high quality prints, so you will replace your cartridges less frequently.

- Save paper : Printing options let you save paper by printing 2-up, 4-up, even up to 16-up on one page.

- Large toner capacity : High-capacity 3,000-page yield toner cartridge can meet even large business printing needs. (ships with a 1,000-page toner cartridge to get you started immediately)

An intelligent and stylish way to manage your communication needs. Samsung helps you to create professional publications using innovative superiority and real-life technology.
