General Information about the Invoice

1. How to pay your bill

Choice is good. We've got a whole bunch of ways to pay. Keep in mind that if you pay with online banking, telephone banking, or snail mail there will be a delay between the day you send your payment and the day we get it. We just want to make sure you don't get hit with any late payment charges... because they suck.

a) Pre-authorized debit

Set up an automatic payment from your bank account and let us do all the work for you. Head over to 'My Account' at virginmobile.ca to get hooked up.

b) Pre-authorized credit card

If you want to pay with your plastic, you can also set up an automatic payment from a credit card. Head over to 'My Account' at virginmobile.ca to get hooked up.

c) Credit card payments

Pay your bill using a Visa, Mastercard, or American Express. One-time payments go through the same day. To pay by credit card, head to virginmobile.ca and log in to 'My Account' or give Customer Care a shout.

d) Internet

Pay your bill online through your banking website by registering "Virgin Mobile (Client ID 14 digit)" as your payee and using the Client ID located on the top right hand corner of your invoice or by registering at virginmobile.ca/myaccount. You can also pay your bill through your mobile phone. Just follow these steps: Launch the browser on your mobile phone and select My Account > Account Balance > Pay Now.

e) Bank payments

You can pay your bill through telephone banking by registering "Virgin Mobile (Client ID 14 digit)" as your payee and using the Client ID located on the top right hand corner of your invoice. If you're signed up for a paper bill, you can also pay through most financial institutions' bank machines.

f) Cheque

If you're signed up for a paper bill, you can also pay by mail:

- Make your cheque out to Virgin Mobile Canada.
- Write your Account Number on the back of the cheque.

- Include the payment stub from your bill.

Then you can mail your cheque and payment stub to:

VIRGIN MOBILE CANADA

PO BOX 5030 STN MAIN BURLINGTON ON L7R 0B9

Payments can take up to 10 days to show up on your account.

2. Self serve options

There are lots of ways you can take charge and manage your account 24/7.

Online: Head to virginmobile.ca and log in to 'My Account'.

On Your Mobile Browser: Plug in to 'My Account' right through your phone.

By phone: Dial 611 on your Virgin Mobile phone to call us for free.

3. *Late payment charges

A late payment charge of 3% each month (42.58% per annum) will apply from this month's bill date if we have not received your payment before your next bill date.

You can find your next bill date on the front of your bill in the top right hand corner. In case your bill doesn't go through (like a bounced cheque, for example) then we reserve the right to add a processing fee to your account. This is independent of any charges that might be added by your bank.

4. Billing inquiries

Got questions? We've got answers.

Give a Customer Care Specialist a shout at 1.866.999.4151 or dial 611 for free from your phone.

If you think we've made a mistake then we want to know about it. Just let us know what your concern is within 90 days of your Bill Date so that we can take a look at it.

5. Taxes

In case you need our tax info...

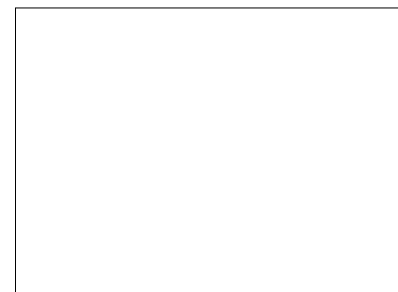

GST/HST # 889301842

QST # 1020045201

Applicable taxes are calculated on individual charges and may vary.

Life is all about change. Sometimes the terms and conditions covering your service with us, including all the stuff you've read above, might change. To see any updates to the terms and conditions, go to virginmobile.ca/terms.
