## Product Details

---

The long-term investment of True's 27" Solid Door Reach-In Refrigerator (T-19) can be seen in the construction of the refrigerator as well as the lasting design aesthetics. High quality stainless steel encases the exterior of the unit, creating a visually appealing design that will not rust or corrode and can withstand the intense environment of the food service kitchen. The interior of the unit is constructed from bright white aluminum and includes a stainless steel floor with coved corners. The entire cabinet is insulated with Ecomate, an earth-friendly high-density material that has no impact on the ozone or global warming. Every component works together to deliver an efficient machine that will benefit the appearance of your kitchen as well as the quality of your foods and the cost of your utility bill.

### Features

- Stainless steel solid door and front with anodized aluminum sides, back and top
- Self-closing door with 12" recessed handles
- Adjustable PVC coated wire shelves with chrome plated shelf clips
- Interior features NSF approved white aluminum and 300 series stainless steel floor
- Self-contained, capillary tube system uses environmentally friendly refrigerant (no CFCs)
- Exterior mounted temperature monitor
- 2-1/2" diameter stem castors – locks provided on front set

### Benefits

- "No Stoop" lower shelf
- Door lock for increased security during off-peak hours
- Oversized refrigeration provides colder product temperatures and lower utility costs
- Compressor performs in the coolest, most grease free area of kitchen
- Compressor can be easily accessed and serviced
- NSF 7 compliant for open food product
- Storage on top of cabinet

### Additional Considerations

- Height does not include 3-1/4" for castors or 6" optional legs
- Unit completely pre-wired at factory and ready for final connection to a 115/60/1 phase, 15 amp dedicated outlet. Cord and plug set included - NEMA-5-15R

### True Warranty

- 3-year parts and labor warranty (effective January 1, 2013)
- 5-year (total) compressor parts warranty

### Optional Features & Accessories

- Upcharge & lead times may apply
- Please contact our FSW Account Managers for additional information: 1-877-877-4379
  - Options include:
  - 230-240V / 50 Hz
  - Standard and seismic/flanged legs
  - Additional shelves

- Remote cabinets

Bought a pair of these for my basement bar, one glass front, the other stainless. Maybe a little loud for a residential setting, but they look great and work really well. Ready for pool season and plenty of room for entertaining! Ordering and delivery from FoodServiceWarehouse.com was easy and fast. They kept me well informed of the order status at all times.

Excellent value of the T-19 Reach in Refrigerator although full sheet pans do not fit in box, it was acceptable due to it primarily being used as a prep refrigerator. Excellent value. Back Door drop off service made installing effortless. Lock in casters need more stability.
